## PROFESSIONAL SUMMARY

### # Ambitious B.Tech Student Seeking Software Engineering Internship

A highly motivated B.Tech student (Graduation 2027) with a solid foundation in Data Structures and Algorithms (DSA), C/C++, and principles of Cloud Computing. Demonstrates a proven ability to swiftly learn new technologies, highlighted by the successful completion of industry job simulations and technical certifications. Eager to apply core computer science skills to high-impact projects as a Software Engineering Intern at Microsoft.

## EDUCATION

### Malla Reddy Institute Of Technology And Science | Hyderabad, India

- B.Tech. in Artificial Intelligence and Machine Learning (AI & ML)
- Expected Graduation: May 2027
- Relevant Coursework: Data Structures and Algorithms, Object-Oriented Programming (OOP)

## TECHNICAL SKILLS

- **Programming:** C, Python(DSA), Java, JavaScript
- **Tools & Platforms:** Git, GitHub, VS Code, Cloud Computing Concepts
- **Core CS:** Data Structures & Algorithms, OOP, Data Analysis
- **Web:** HTML, CSS

## PROJECTS

### Secure Data Transfer by Cloud Computing

- **Technologies Used:** Cloud Principles, Network Security Concepts
- Engineered a mechanism to enhance security during data transfer and storage within a simulated cloud environment.
- Focused on applying principles of data encryption and access control to ensure data confidentiality and integrity.
- Demonstrated proficiency in the fundamental concepts of secure software architecture.

## LEADERSHIP & SERVICE

- **National Cadet Corps (NCC):** Served as a Cadet Corps, achieving the 'A' certificate and receiving the 'W' Certificate from the NCC Directorate.
- Demonstrated strong discipline, leadership, and dedication through active participation in service programs.
- **Technical Communication:** Participated in the Elocution competition and National Science Day 2025 celebrations, indicating effective public speaking and presentation skills essential for engineering collaboration.
